Cincinnati or under the University’s direction. Eligibility for graduation requires a minimum of 90 graduate credits, the last 30 of which, exclusive of research credits, must be completed at the University of Cincinnati.

Students who have done work at other graduate schools may choose to petition for transfer of credits earned elsewhere toward a master’s or doctoral degree at U.C. The petition should be submitted through the Director of Graduate Studies. The merit of the petition will be judged according to the standards and procedures of the graduate program to which application has been made, subject always to the instructions outlined in the policy above.

Normally, credit hours allowed for a transfer course will not exceed the semester credit hours of any U.C. course (s) which cover equivalent material.

In addition, courses eligible for transfer credit should have been taken within the five years prior to application.

Registration

The UC Schedule of Classes provides the courses offered each semester at U.C. To view the schedule click on the following link: The UC Schedule of Classes.

University Breaks

Students in the graduate program will have academic or practicum responsibilities that may extend into one of more of the University breaks. Therefore, students wanting leave during the graduate program must obtain prior permission from the Clinical Practicum Coordinator, School Practicum Coordinator, Faculty Supervisor, Graduate Program Director, or Department Head.

Inclement Weather Policy

CSD Weather Related Protocol
All CSD campus students can expect to attend classes online. Each professor will contact their class. If the University is closed the campus clinic will be closed. All students participating in external placements should follow the instructions of their clinical supervisor.

CAHS Weather Related Protocol
When inclement weather threatens the safety of the University of Cincinnati community, the Senior Vice President for Administration and Finance may invoke University Rule 3361: 10-55-01 and declare an emergency closing.

The College of Allied Health Sciences will observe the university emergency closing protocol for all on-campus classes. During a university emergency weather closing, all college offices will be closed. CAHS CETIS will be available online 8:30am-5:00pm to monitor the CETIS Help Desk email account as well as the online ticketing system. If you need assistance from CETIS during the closure, please send an email to cetishelp@uc.edu.
Students should clarify with their course instructors how the closure will affect assignments and deadlines, and whether class information from the missed session(s) will be posted on Blackboard, and/or if the class will meet virtually during the closure.

Students currently enrolled in off-campus clinical practicums, field experience, and internships should refer to their individual program’s student handbook to determine if they are expected to report to their placement site during the closure.
