Inclement Weather Policy

CSD Weather Related Protocol
All CSD campus students can expect to attend classes online. Each professor will contact their class. If the University is closed the campus clinic will be closed. All students participating in external placements should follow the instructions of their clinical supervisor.

CAHS Weather Related Protocol
When inclement weather threatens the safety of the University of Cincinnati community, the Senior Vice President for Administration and Finance may invoke University Rule 3361: 10-55-01 and declare an emergency closing.

The College of Allied Health Sciences will observe the university emergency closing protocol for all on-campus classes. During a university emergency weather closing, all college offices will be closed. CAHS CETIS will be available online 8:30am-5:00pm to monitor the CETIS Help Desk email account as well as the online ticketing system. If you need assistance from CETIS during the closure, please send an email to cetishelp@uc.edu.

Students should clarify with their course instructors how the closure will affect assignments and deadlines, and whether class information from the missed session(s) will be posted on Blackboard, and/or if the class will meet virtually during the closure.

Students currently enrolled in off-campus clinical practicums, field experience, and internships should refer to their individual program’s student handbook to determine if they are expected to report to their placement site during the closure.
